RISK ASSESSMENT

Due to current regulations this Risk Assessment form has to be completed by all Trade entries attending the rally. The main reason for this form is to identify any risks or hazards and the actions you would take to minimize them. We understand that you will not be able to eliminate all the risks and hazards, but this exercise should help minimise them.

Please tick the areas relevant to your entry. Tick the YES or NO columns as appropriate, then decide if the risk is:

H = High M = Medium L = Low.

Any risks marked M (Medium) or H (High) must have a method statement (*This is your written statement of the risks that you have analysed, or identified*). This should include the assembly of display tables / stands and supporting stall frameworks which may form any risk to you or the general public.

The method statement (as applicable), & the Risk Assessment (this completed form) must be completed.

Significant hazard (Use separate sheet if req'd)	Y E S	N O	Risk: H, M or L	People at risk from hazard. Includes: Young Children, Public Visitors, Your Staff, Site and Rally Workers	List existing controls. List further controls needed. Are legal requirements met? Is risk reduced as far as reasonably possible?
